Ads must be provided in jpeg or pdf format with pictures set for high resolution of at least 300 dpi output. To prevent page elements from being too close to the page edge and/or at risk of being cut off, it is advised to keep any important text or artwork no closer than 1/4" to page edge. Please email ad to us. If jpeg or pdf format is not available, please call to arrange production options. For example, submitting a business card for scanning.
